**COURSE TITLE:**

Drawing and Painting for Improvers

**DURATION:**

10 sessions

**ABOUT THE COURSE:**

This course is for anyone who wants to improve their drawing and painting techniques. The course is varied and aims to improve students' observational skills, eye-to-hand co-ordination and dexterity.

Over the weeks we will investigate the use of a variety of drawing and painting medium. You will learn perspective, colour theory, the rule of thirds, painting techniques, still life, portraits and landscapes as well as opportunities to use your own imagination.

**ENTRY REQUIREMENTS:**

Interview or course specific application required? **Yes / No**

Prior knowledge / experience: No previous experience is necessary, just a desire to learn. This class is suitable for beginners and improvers of mixed abilities.

**STUDY AND ASSESSMENT:**

The course is designed to introduce the student gradually to methods of working, beginning with drawing and moving on to painting. Specialist subjects are re-visited from time to time in order to monitor progress. Homework is voluntary but there are occasions when some research is needed before beginning a specific project. However, like any skill, practice improves performance.

**PROGRESSION OPPORTUNITIES:**

A more advanced course may be available for continuing students, including Art studios,

**PRE COURSE PREPARATION:**

None.
