

STRODE'S COLLEGE ~ ADULT LEARNING COURSE INFORMATION SHEET

COURSE TITLE: Computing First Steps (Entry 1) **DURATION:** 10 sessions

ABOUT THE COURSE: This course provides an introduction to using a computer for the first time. It is also useful for people who have used a computer before or for those who are lacking confidence. It will cover all the basic skills and will lead to an Entry Level 1 Functional ICT qualification (no exam, evidence is collected in class).

The course will cover :

- o The different parts of a computer
- o Health and safety when using a computer
- o Using the keyboard and mouse
- o Keeping information secure by using passwords
- o Basic word-processing
- o Searching the internet
- o receiving email
- o Labelling images

ENTRY REQUIREMENTS:

Interview or course specific application required? ~~Yes~~ / No

Prior knowledge / experience: No previous knowledge or experience of using computers is required for this course. Students will require a basic standard of written and spoken English.

STUDY AND ASSESSMENT: There are 10 weekly classes of 2 hours each, with a one week break for half term. The class will be taught in a computer room, with one computer for each student. Each class will include a mixture of demonstration by the tutor and individual practical exercises on the computer.

To ensure good progress students should practice their new computer skills for at least 2 hours a week outside of the class. If you do not have your own computer you can access computers in public libraries. Some computers can be booked at The Literary Institute
