

STRODE'S COLLEGE ~ ADULT LEARNING COURSE INFORMATION SHEET

**COURSE TITLE:**

Level 1 Award in Photography

DURATION:

12 sessions

ABOUT THE COURSE:

The course builds on the knowledge and skills developed in the Photography beginners' course and leads to a Level 1 Award in Photography.

The course is based on two principle learning outcomes:

- The knowledge and ability to use the camera to create images.
- The knowledge and ability to produce manipulated images.

Students will be identifying the effects of using camera controls and produce exploratory photographs of a chosen subject. They will then review the aesthetic and technical values of their images.

They will also explore a variety of manipulation techniques, and be able to use hardware and /or software to manipulate their own images and evaluate the final photographs.

ENTRY REQUIREMENTS:

Interview or course specific application required? ~~Yes~~ / **No**

Prior knowledge / experience: You will need to have a good understanding of the basic principles of photography and some experience of using a digital SLR camera, as covered in the Digital SLR for Beginners course.

STUDY AND ASSESSMENT:

The course is broken down into twelve sessions of 2.5 hours. Each session will focus on a particular project brief and the technical skills required to complete this brief. All lessons will include some practical activity to reinforce learning.

Each week students will be working on their portfolios, and are expected to take a series of photographs outside of the class time and to keep a log to record the development of their knowledge and skills.

PROGRESSION OPPORTUNITIES:

You can progress onto a level 2 or level 3 photography qualification or other accredited Photography courses.
