Possible Enrichment Opportunities

What will I learn?

You will gain a grounding in the essential skills and knowledge crucial to Sports, giving you the opportunity to build on these by progressing to a qualification at Level 3 or to enter into your first job within the Sports sector.

This is an ideal course to develop a range of skills and techniques that are essential for successful performance in working life, including independent research skills and team working.

How will I be assessed?

Eight units of which 25% externally assessed 75% coursework.

Where might it lead?

Students can progress to a variety of careers including sports coaching, fitness professionals and working in the leisure industry.

However the majority of Level 2 students progress on to the Level 3 Extended Diploma in Sport to further their education and to open up additional sporting career opportunities.
