FREQUENTLY ASKED QUESTIONS

How can I reduce costs to my travel?	<p>Consider buying a young person's railcard for 30% discounts off fares, this can only be used for travel outside of peak times. Certain councils / boroughs offer discounted travel cards for students. Please enquire with your local operator office for more information.</p> <p>If you live and travel within Surrey, the Surrey Fare Card can also help reduce train and bus costs. Go to www.tinyurl.com/farecard for more information. If you travel from Berkshire by bus, please speak to Student Services for details regarding cheaper travel.</p>
Should I buy returns on season passes?	Season passes e.g. monthly or yearly travel cards are often cheaper. Please ask your ticket agent for advice.
I drive, can I still save money?	You could consider trying a car pool scheme where a group of friends share the driving.
I travel from London, what should I do?	You can apply for an Oyster 17/18 (age) card that will give you free bus travel and child rate train / tube travel. It may also be cheapest for you to split your travel between using an Oyster and an ordinary ticket outside of zone 6. For example, using your Oyster card from London Zones to Feltham and then buying an ordinary ticket from Feltham to Egham.
I am struggling with travel costs - can you offer financial support?	<p>Students may be able to apply for support with travel costs through one of our Financial Assistance schemes. More information is available on our website or via Moodle for existing students.</p> <p>To request an application pack or to discuss eligibility, please email welfare@strodes.ac.uk, call 01784 228606 or come to Student Services to talk to a member of our team.</p>
