adult education

Strode's College is pleased to offer the following adult education courses for the Spring Term 2012. Most of these courses are held at our historic site in Egham. There are no concessionary fees for these courses, but bursaries are available for people on low incomes.

In addition to the courses listed below we are also able to provide one to one or small group tuition in a wide range of subjects, including some that are not listed below. If you would like more information please call us on 01784 228676.
